

**JUDITH MOSOFF SCHOLARSHIP – COMMUNITY REFERENCE
CONFIDENTIAL**

Thank you for providing a reference for the student named below. They are applying for a Judith Mosoff Scholarship. This scholarship recognizes students with developmental disabilities who have demonstrated an interest in one or more specific areas, course subjects or school activities and who have wanted to be included in regular aspects of student life in ways that are coherent for all students. Recipients will receive a scholarship, in the form of a voucher, to cover tuition, books, or supplies which they can redeem when they enrol at their local college or university and are supported by the BC Initiative for Inclusive Post-secondary Education (www.bc-ipse.org) to have an inclusive student experience.

BC-IPSE is a provincial initiative providing support for students with developmental disabilities, who have historically been excluded from accessing post-secondary education because of the academic entry requirements, to continue their education after high school and work towards an inclusive life pathway and career that reflects their interests and strengths. The students are awarded a Certificate of Completion by their college or university upon graduation.
